

# OFFICIALS WANTED

If you're new to refereeing or just looking to stay on top of your game, then MoKanRef.com is the place for you. We are currently seeking to provide Veteran and New Officials with an opportunity to train, develop and enhance their knowledge of basketball officiating.

Anyone interested in being a part of this organization and receiving the invaluable experience of working live games with some of the areas best High School and Collegiate officials, than we look forward to hearing from you.

We have a year round program that will not only provide you with plenty of court time but, it will also allow you to sharpen your craft while working with what we consider to be the "best basketball in the metro."

Please contact MOKAN Referee Commissioner Lenton Bailey at (816) 806-4801 or (816) 525-2372. You can also leave him an e-mail by clicking on the "**Contact the MOKANREF Staff**" link.
